Fall Edition

Dear Friend Of Camp,

It's hard to believe that another summer is already a memory. Fall is here and it is time for our Annual Fund Drive.

During the summer we challenged the campers to keep "In Step" with God's Word. God continually wants to guide us through our lives. Sometimes we can get side-tracked by the world. During those times we need to make sure we are studying God's Word and following His direction.

Psalm 37:23&24 "The steps of a good man are ordered by the Lord: and He delighteth in His way. Though he fall, he shall not be utterly cast down: for the Lord upholdeth him with his hand."

During the summer of 2008, we had the blessing of seeing multiple decisions made in the lives of campers. God has answered prayer. Many hearts have been reached. This summer 22 young people came to the saving knowledge of Jesus Christ! Along with many coming to Christ, there have been a number of other life changing decisions. Praise God!

We are so thankful for each life that has been changed for God's glory. Your continued prayer is much needed and appreciated. Please join us in lifting up, to our heavenly Father, the young lives that are so vulnerable to the evils of the world.

We are praising God that our camper enrollment was up this summer. Unfortunately, rising expenses in the areas of insurance, heating oil, gasoline and other utilities continue to take an increasing percentage of the camp's income. Your financial support during the off season is vital to our ministry here. We rely upon your Annual Fund Drive donations to help us offset these rising costs and aid us in our preparation for the upcoming season.

Would you consider partnering with us and making a donation to Camp Northfield at this time?

In the Service of the King,

Dave (Chief) Byron
Director
