

*On Saturday, April 18th, I will be participating in Camp Northfield's
6th Annual Hilltop Challenge!*

Camp Northfield is a small, Christian youth camp. All funds raised during this event go to the ongoing Staff Housing Project. In an effort to house additional year-round staff members, they are building a new home to accommodate the director and his family. To date they have raised roughly \$171,000 of their \$400,000 goal. Would you consider sponsoring me as I run to support this great ministry?
