

2024 Hilltop Challenge

On Saturday, April 27th, I will be participating in Camp Northfield's annual Hilltop Challenge.

Camp Northfield is a small, christian youth camp. All funds raised during this event go to the ongoing Staff Housing Project. In an effort to house additional year-round staff members, they are pursuing the building of a new house to accommodate the director and his family. To date they have raised roughly \$109,000 of their \$400,000 goal. Would you consider sponsoring me as I run to support this great ministry?

I will contact you as soon as I complete the Hilltop Challenge. If you pledged per mile, I will update you on how many miles I completed. You can make your donation at www.campnorthfield.com/housing-project
