

On Saturday, April 29th, I will be participating in Camp Northfield's annual Hilltop Challenge.

Camp Northfield is a small, christian youth camp. All funds raised during this event go to their Spring Fundraising Project. These monies will be put towards the completion of their Game Room renovations, the installation of a new fence on Route 10, updated power tools and equipment, and their general fund to be used wherever needed. To date they have raised \$4,800 of their \$12,000 goal. Would you consider sponsoring me as I run to support this great ministry?
